

BIRD BEAKS

Find out the different functions of bird beaks!

To complete this worksheet, you are going to need a couple of tools: tweezers, a laundry peg, a toothpick, a fork, pliers, a sieve, etc. You'll also need different kinds of 'feed' – something soft, hard, grainy, etc.

Try out your 'beaks'! Which one was easiest to use? Which one was hardest?

Connect each beak with the tool that matches!
